

# Job Description

# About Moodcafe

Moodcafe is a funded mental healthcare start-up by alumni of IIM Ahmedabad and IIT Roorkee that aims to bring a new-age empathetic caring approach to mental health and well-being by leveraging best practices & emerging research-driven trends of psychology, counselling, therapies, artificial intelligence and innovative reach out strategies.

We are incubated at IIMA's Centre for Innovation Incubation & Entrepreneurship (CIIE) and are supported by mentors from psychology, technology and IIMA alumni.

## Why Work @Moodcafe

- Exposure to working in a **startup culture** led by the mavericks of **IIM Ahmedabad** and **IIT Roorkee**.
- **Challenging work** environment ensuring **accelerated self-development**.
- Opportunity to **take ownership** and **lead the team** right in the early days of your career.
- **Flexible work culture** with an **open mindset to experiment with new ideas**.
- Working in the ambience of one of the **best institutes** and **incubation cent3re** of India.
- Work on innovative solutions leveraging state-of-the-art technologies using Artificial Intelligence.
- Work for **a cause you believe in**, and **create a huge impact** in the society on a mass scale.

## Leadership @Moodcafe

---

### **Mikul Patel**

#### **Co-founder & CEO**

Mikul Patel is an alumnus of IIM Ahmedabad & IIT Roorkee. In the past, he co-founded a logistics startup and worked as software engineer at Qualcomm. Mikul once found suicide note of his friend, and from there onwards he joined the wellness cell of IIT and later decided to help them by starting Moodcafe.

### **Rahul Ratan Mirdha**

#### **Co-founder and CTO**

Rahul is an alumnus of IIT Roorkee where he was the secretary of Artificial Intelligence and Electronics Section. After graduation, he experienced problems himself and started making a technology-based product to solve the same. Later he left his job at Wipro to work full time in the mental health space.

### **Poonam Malpani**

#### **Psychologist**

Poonam completed her masters from Maniben Nanavati college and has been a psychologist at Faculty Minds. She has been trained in Clinical Psychotherapy and Rational Emotive Behaviour Therapy, and envisions to make an impact using her expertise in the field.

### **Heli Patel**

#### **Designer**

Heli is an alumnus from Pandit Deendayal Petroleum University and brings in the experience of being a research assistant at IIM Ahmedabad and a lecturer at VPMP. She is currently pursuing her passion for graphics design and leads the creative team at Moodcafe.
